

Welcome Coaches and Team Managers,

We at Kick Like a Girl are about empowering young athletes to be the best they can be both on and off the field! Through our unique AWARD PENTAS you will be able to provide a way to incentives the kids by rewarding them unique AWARD PENTAS as they earn them. The young athletes will be very proud to display their awards on their traveling trophy case band.

Below we outline the band/AWARD PENTA PACKAGE cost. The cost for the award package is divided equally among the players and the coach uses the AWARD PENTAS to motivate the athletes! Each player should receive 3-4 AWARD PENTAS per season depending on the package purchased. They are so proud of their awards and we love being able to give them a medium to display their hard work!

We have found that it works well to disseminate the information to the parents in the beginning of the season.
